Supervisor Serwach talked about the ambulance board being dissolved at this time.

Supervisor Serwach stated that a special meeting was needed due to the furnace problem at the Township Hall. After being notified that there was not heat in the building, he made contact with Mackinac Plumbing, who informed him that they did not work on this type of furnace. Through Mr. Thomas from Trout Lake, he was given the name of Albert Heating and Cooling who worked on Geo furnaces. Albert Heating and Cooling sent a representative to inspect the furnace and it was determined that major work needed to be done to correct the problem. The estimated cost of repairs is \$5213.00. There will be a one year warranty on parts and labor.
Motion to approve the payment of \$5213.00 for furnace repairs made by Trustee W. Orr, seconded by Clerk Matelski. Motion granted.

Motion to adjourn at 11:30 am made by Trustee W. Orr, seconded by Treasurer Olsen. Motion granted.
