A motion to accept B & B Lawncare, as lowest bidder, was made by Treasurer Olsen and seconded by Trustee T. Orr.

Discussion on Fire Truck Repair Water Tank is leaking.

Truck is 42 years old.

Water tank is a 750-gallon steel tank.

Frame is good.

Pucks (pistons) have all been replaced and another new set is on hand.

The repairs to replace the tank with a 600 gallon poly tank would cost \$25,980.00.

The cost of a replacement used truck would be approximately \$80,000.00.

A discussion on how useful the truck is with its smaller diameter hose and high pressure pump to put out house fires, with less water damage to the home, and the fact the firefighters are familiar with this truck were a plus in favor of repairing the truck.

The fireman present were all in agreement that they'd like the truck repaired.

A motion to repair the truck was made by Trustee T. Orr, and seconded by Trustee Olsen.

Motion passed.

Motion to adjourn at 6:17 made by Trustee W. Orr, and seconded by Treasurer Olsen.

Motion passed.
