Public Comment:

Deputy Sherriff John Litzner provided a presentation to the board regarding the Bond Proposal which will be voted on county wide on November 8, 2016. Voting yes would allow the Sherriff's department to expand their facility. The expansion would create more space for inmates and allow the county to meet the demand most effectively.

Judi Butkovich shared a concern regarding the public beach access located at the end of Dukes Rd. The condition of the beach is becoming poor by being overgrown. She suggested to the board that picnic tables be implemented along with the space being cleaned up. Discussion included the ability of the township to clean up the beach access. Trustee Wallace will check

with Dirk Heckman as the location is also a county roadway.

Adjournment was motioned by Treasurer Litzner at 6:35 PM, Seconded by Trustee Erskine.
